## ASPE March 2018 Program

### A "RALL" BIG PROJECT

#### The Replacing of the Broadway Bridge Rall-Wheels

We all heard the warnings on the news and some of us may have experienced the painful effects of the closing of the Broadway Bridge for repairs last year. For our March presentation we will have Brett Schneider, from Schneider Consulting (the owner's project manager for Multnomah County) and Evan Stuart, from Hamilton Construction (project manager for the General Contractor) coming to share with us their first hand experiences of the challenges they faced working over a river on a bridge that is over 100 years old.
